AUTO PRIDE NETWORK HOLDS ANNUAL MEMBERSHIP MEETING

GERMANTOWN, TENNESSEE, February 11th, 2010 – The Auto Pride Network had record attendance for their first membership meeting following the merger with Automotive Distribution Network (ADN). Held at the JW Marriott in Orlando, Florida, the group had two days of excellent meetings where they were introduced to the new enhancements and opportunities as a result of the merger.

Ron Sutton, Chairman of the Board for the Auto Pride Network said, “This is an exciting time for our group. The members were overwhelmed in a good way with presentations on product, marketing, and technology. They were able to meet the ADN staff and see firsthand the support that comes with this merger.”

“The Auto Pride membership has the ability to add many new exciting elements while maintaining their traditional culture,” added Mike Lambert, President of the Network. “The Board of Directors will continue to oversee all aspects of managing the Auto Pride Network including budgets, marketing, and staffing.”

The Auto Pride Network Board Members for 2010 are:

Ron Sutton, Chairman, Standard Auto Parts Corp., Baltimore, MD
